29 *1. State funding.*

30 *a. Allocation formula.* For each fiscal year in which  
31 moneys are appropriated by the general assembly for purposes  
32 of the preschool program for four-year-old children, preschool  
33 scholarship funding shall be allocated to approved school  
34 districts on a per pupil basis calculated on the proportion  
35 that the number of the approved school district's first grade

1 children who are eligible for free or reduced price meals under  
2 the federal Healthy, Hungry-Free Kids Act of 2010, Pub. L. No.  
3 111-296, multiplied by the average of the previous three years  
4 of certified kindergarten enrollment, bears to the sum of the  
5 number of first grade children in all approved school districts  
6 who are eligible for free or reduced price meals under the  
7 federal Healthy, Hungry-Free Kids Act of 2010, Pub. L. No.  
8 111-296, multiplied by the average of the previous three years  
9 of certified kindergarten enrollment in all approved school  
10 districts in the state for the base year.

11 *b. Redistribution of state funding.* Based on the October  
12 1 certified preschool enrollment count determined pursuant to  
13 section 256J.4, subsection 2, the department shall evaluate  
14 the needs of approved school districts and approved private  
15 education partners and shall take action to redistribute unused  
16 state funding as appropriate.

25 *3. Program continuation subject to approval.* For subsequent  
26 budget years, continuation of a school district's participation  
27 in the preschool program is subject to the approval of the  
28 department based upon the school district's compliance with  
29 accountability provisions and the department's on-site review  
30 of the school district's implementation of the preschool  
31 program.

32 *4. Insufficient funding.* If the amount appropriated  
33 annually for purposes of this section is not sufficient to  
34 pay the total allocation to approved school districts, the  
35 allocation shall be based on the proportion that the total

1 allocation for each approved school district bears to the sum  
2 of the total allocations to all approved school districts.

3 5. *Payments to private education partners.* Reimbursements  
4 shall be provided to private education partners by approved  
5 school districts on a monthly basis, beginning with the month  
6 in which the school district receives payment under subsection

8 verification of actual instructional costs incurred in the  
9 school year.

10 6. *Department administration and oversight.* Except as  
11 otherwise provided by law for a fiscal year, of the amount  
12 appropriated by the general assembly for a fiscal year for  
13 purposes of this chapter, the department may use an amount  
14 sufficient to fund up to four full-time equivalent positions  
15 which shall be in addition to the number of positions  
16 authorized for the department for the fiscal year to provide  
17 administration and oversight of the preschool program.  
18 Oversight shall include but not be limited to data collection  
19 requirements, maintenance of website listings of school

21 preschool programs, and assessment results.

22 7. *Open enrollment not applicable.* Section 282.18 shall not  
23 apply to preschool programs implemented under this chapter.  
24 However, approved programs shall be open to all eligible Iowa  
25 children, regardless of a child's district of residence.

26 8. *Participation in preschool not good cause.* Participation  
27 by a child in an approved preschool program under this chapter  
28 does not qualify as "good cause", as defined in section  
29 282.18, subsection 4, paragraph "b", for purposes of claiming  
30 continuous enrollment in a school district other than the  
31 district of residence.

32 Sec. 35. Section 272.2, Code 2011, is amended by adding the  
33 following new subsection:

34 NEW SUBSECTION. 19. Adopt rules establishing an early  
35 childhood certificate of eligibility for individuals who meet
